- Alarm clock or clock radio
- PERSONAL TOILET ARTICLES: hair dryer, hand soap, soap, shampoo, conditioner, toothbrush, toothpaste, **shower shoes**, etc. **You will not be staying in rooms with students from your own hometown or school.** **DO NOT plan to share the same toiletries. Plan accordingly.**
- Backpack, pencils, pen
- Snacks and water for your dorm room at night. Water will be sold for \$1 per bottle if you don't want to bring your own.
- **\$20 for dorm room key deposit** which can also be used to purchase a DVD at the end of Basic

**WHAT TO WEAR – IMPORTANT INFORMATION**

- School dress during the week is appropriate. It should be noted that many of the activities during the week are exactly that—ACTIVE. It is suggested that you take that into consideration in your clothing selection. **Tennis shoes are required for some of the activities.**
- Wearing your school t-shirts is a great idea. No tank tops, no halter-tops, no tiny spaghetti straps, no low cut tops (no cleavage) in other words, have your shoulders covered! \*\*\*\*
- No hats, caps, or bandanas allowed.
- No shirts promoting alcohol/drugs/sex allowed.
- Shorts are permissible **within reason.** Shorts need to abide by the fingertip rule: shorts **may not** be shorter than your longest fingertip when standing with shoulders relaxed. Workout shorts (i.e. Nike and Adidas) of appropriate fingertip length may be worn but sliders (longer than the shorts) **must be worn** underneath the shorts. Due to many ACTIVE activities, skirts are highly discouraged. \*\*\*\*
- You will be required to wear a name badge all week that is on a lanyard.

**\*\*\*\*If there are major dress code violations, you will be asked to change clothes into more appropriate attire. Dorm Deans will enforce these rules.**
