 - OASC come together in conversation about different topics with the intention of expanding and improving each school's council experience
 - Breaking state into four groups, each month of the school year would have a set topic, each week a council from a different group would present their ideas on how they execute their topic

- Ex: assemblies, hall decor, spirit weeks, philanthropy, student council structure, school dances
- Presentations would be on Zoom calls
- Work on how to get the word out
- Maybe think of doing shorter zoom meetings all at once (four presentations once a month vs. one presentation every week)
