

OASC Health Form

AUTHORIZATION FOR EMERGENCY CARE

We the undersigned, parents or legal guardians of the student listed below

_____ (Student Name – Please print)

Birth Date _____ (Month, day, year)

Do hereby authorize the OASC staff to consent to any emergency treatment by any physician, surgeon or dentist licensed by the State of Oklahoma to any hospital care that may be rendered to said person, whether such diagnosis or treatment is rendered at the office of a physician, surgeon or dentist, or at a hospital licensed by the State of Oklahoma. I further agree to release the OASC staff and hold them harmless from any damages that might arise from his actions in consenting to any medical, dental or hospital care rendered to the above named minor. The consent shall remain in effect until the conclusion of the OASC BASIC or Advanced leadership workshop unless sooner revoked in writing, delivered to the OASC staff, and the physician, surgeon or dentist.

The following basic medications will be provided and administered by an OASC advisor/staff person, as needed. **Please make a check mark by the medication(s) we have your permission to administer to your child.** We will follow the recommended dosage on the package unless otherwise noted by you. If there is another over-the-counter medication that you would rather have your child take, you will need to supply that medicine and put it in a Ziploc bag with any other medications your child brings. If your child has an inhaler, it needs to be carried with him/her at all times.
